

Welcome to Community Meeting #1 on Redington Pass

FRP Vision and Mission

FRP envision protection of the rural backcountry setting for all recreational and resource users, providing public access and management of future diversified recreational growth.

Mission Statement

Responsible stewardship, balanced recreational and resource uses and the preservation of its ecological, scenic, and cultural resources.

FRP seek to brings together all user groups to meet its objectives.

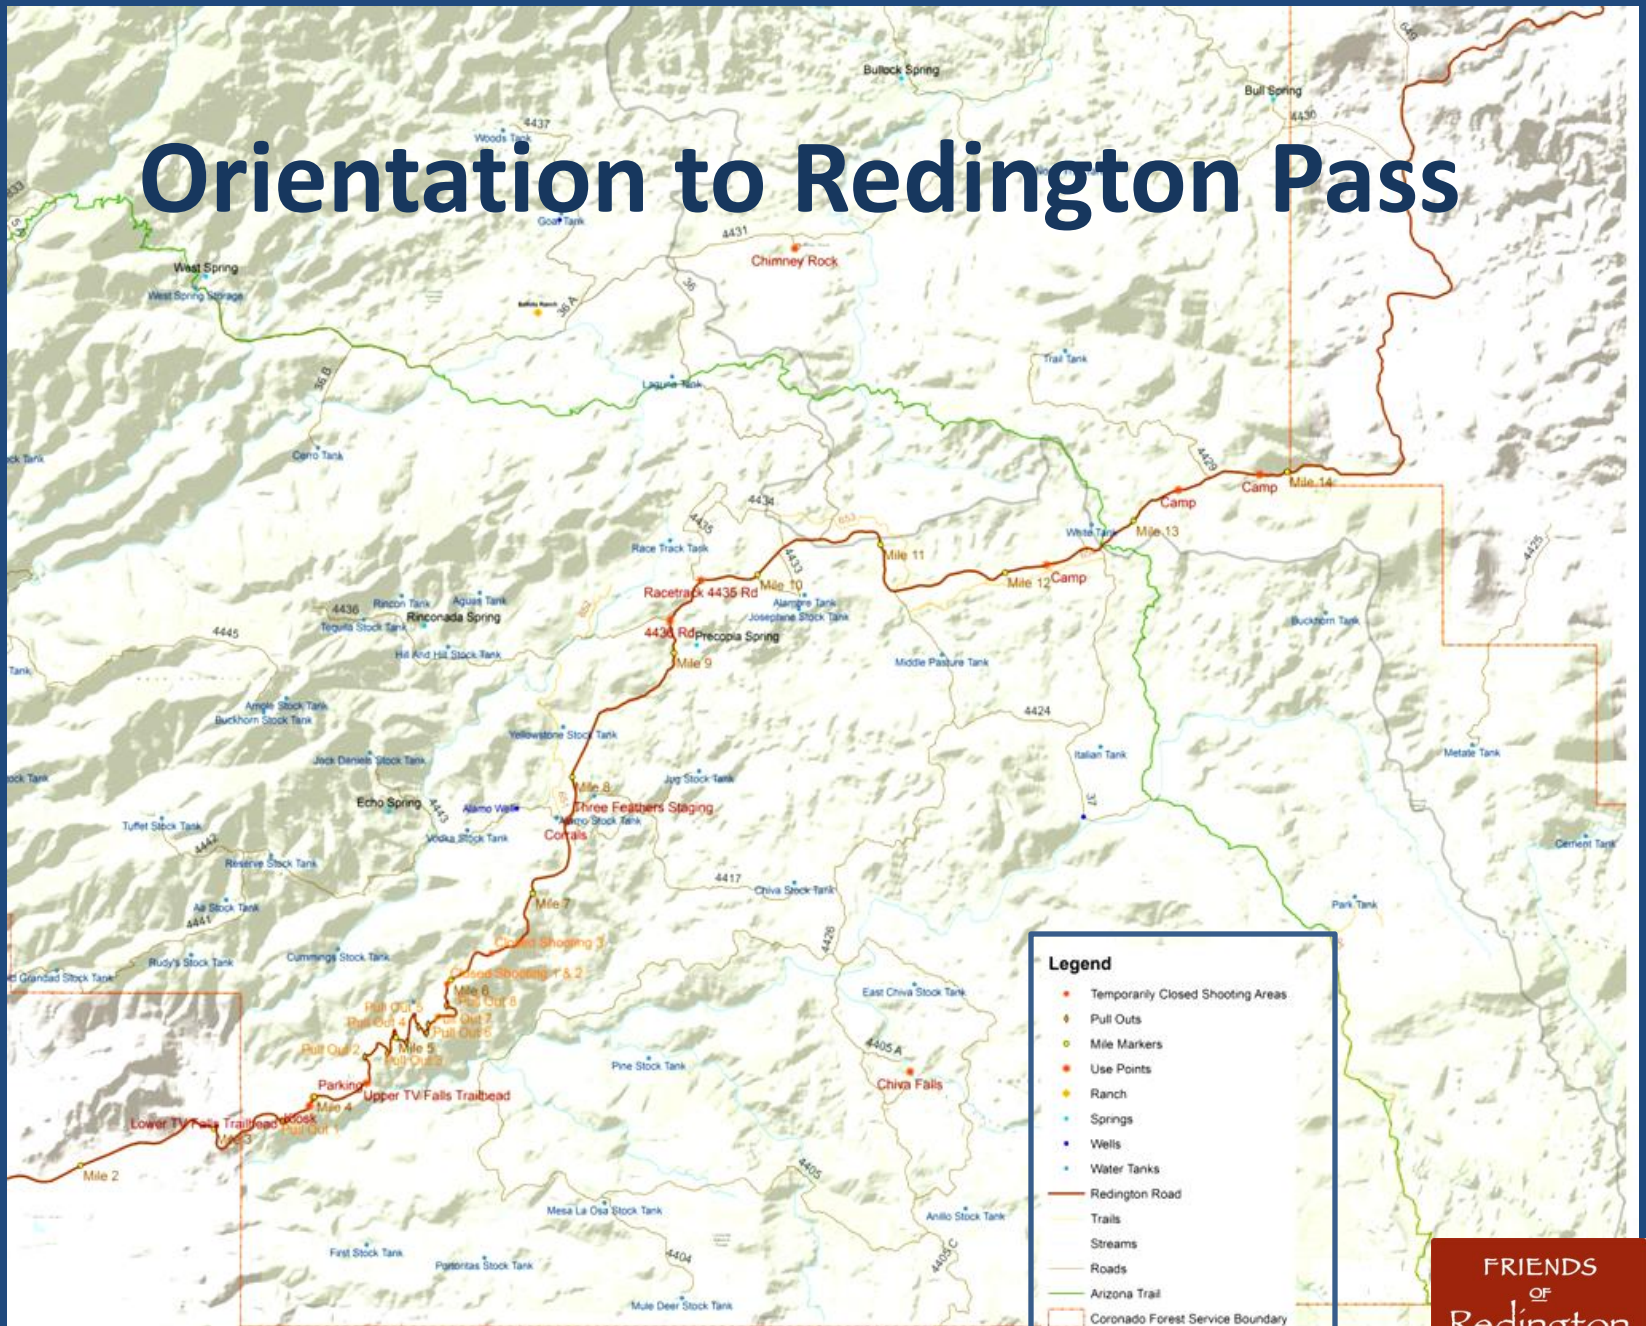

FRP Advocates for:

- Conservation and restoration of sensitive riparian areas along the Tanque Verde Creek, its watershed and wildlife corridors
- Improved opportunities for dispersed recreation, assuring clean, natural settings and well-managed motorized and non-motorized uses
- Reductions in unsafe or illegal activities and excessive noise and disturbance.

CAMP Overview

COLLABORATIVE AREA MANAGEMENT PLAN

process designed by FRP to propose recommendations to the USFS Coronado National Forest (CNF) for managing the future of Redington Pass.

CAMP will be based on a collaborative effort to engage all interested stakeholder groups and individuals.

How are we going about this?

- FRP board
- CAMP working group
- User group meetings
- Three open community meetings
- FRP website
- Meet and Greet up on the Pass

CAMP Timeline

Spring – Fall 2014

Seek stakeholder and public input on conditions and concerns

Fall 2014 – Winter 2015

Discuss different management approaches and seek feedback

Winter –Spring 2015

Reach agreement on one or more sets of proposed alternatives

Spring – Summer 2015

Convey proposal to CNF for their review

Instructions for Gathering Input

1. Complete User Form.
2. Locate up to **three favorite places** and mark with green dots on one map. Name/explain places on green post-its.
3. Locate up to **three trouble spots** and mark with yellow dots on one map. Name/explain places on yellow post-its.
4. Stick both sets of post-its on your User form and hand in.

Questions, Comments, Concerns

GROUND RULES

- Be respectful of different perspectives
- Be patient when others are talking
- Help assure all can contribute

What happens next?

What FRP will do

- ✓ We will post meeting notes
- ✓ We will compile user information in GIS data base
- ✓ We will seek more input at user group meetings and via website
- ✓ We will assemble a CAMP working group in the Fall

What YOU can do

- ✓ Rediscover Redington Pass
- ✓ Get on FRP's email list
- ✓ Become an FRP member
- ✓ Participate in the CAMP
- ✓ Invite FRP to your meetings
- ✓ Share comments, questions and concerns with FRP
